CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body in which its product certification system includes inspection and testing of samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and/or warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

CERTIFICATE OF LISTING

Issued To: SUPERFLEX LTD.

Effective Date: July 2024

File Number: W-3342

Revised Date: August, 5 2024

Product: Flexible Hose (PVC)

Void After: July 2029

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Identification:

Products shall be permanently and legibly marked with nominal size, manufacturer's name or trademark, recommended minimum bending radius, date of manufacture (or date code), intended service (where applicable), and manufacturer's recommended working pressure or pressure rating at the maximum operating temperature. Markings shall be repeated at intervals of not more than 3.0 m (10 ft). Products shall also bear the USPC® certification mark.

Characteristics:

Flexible PVC hose with or without PVC helix or fabric reinforced materials. To be used with standard Schedule 40 fittings. For use on circulating, return and main drain piping on spas, hot tubs, and swimming pools. Acceptable for both above and below ground installation.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
