Subject: Bisphenol A (BPA, CAS 80-05-7)

To Whom It May Concern:

This letter is provided in response to requests for information on Bisphenol A in products manufactured by Superflex Ltd.

All hose and conduit manufactured by Superflex Ltd. — Sealproof[®] non-metallic liquid-tight conduit and electrical nonmetallic tubing, and Rollerflex[®] and Superflex flexible PVC hose — is extruded from compounds formulated without Bisphenol A. BPA is not used as a raw material, additive or processing aid in our extrusion operations, and to the best of our knowledge, based on written declarations from our compound suppliers, our products do not contain BPA.

This information is provided in good faith and is accurate to the best of our knowledge as of the date above. It is based on our own formulations and on written declarations from our raw-material suppliers, is subject to change as regulations and supplier data are updated, and is offered to assist the recipient's own compliance review rather than as a warranty. Please contact Superflex Ltd. for a statement covering specific part numbers or a later revision of the regulation.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Elbaz', with a large, stylized loop at the end.
