Subject: REACH — Regulation (EC) No 1907/2006, Substances of Very High Concern

To Whom It May Concern:

This letter is provided in response to requests for information on the status of Superflex Ltd. products under the European Union REACH regulation (Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals).

This statement covers the products manufactured or supplied by Superflex Ltd. under the Sealproof[®], Rollerflex[®] and Superflex brands: non-metallic liquid-tight flexible conduit (LFNC-B), electrical nonmetallic tubing (ENT), HDPE innerduct and split conduit, liquid-tight conduit connectors and fittings, weatherproof boxes, covers, conduit bodies and accessories, and flexible PVC hose.

To the best of our knowledge, and based on written declarations from our compound and component suppliers, the products listed above do not contain any Substance of Very High Concern (SVHC) above the 0.1% weight-by-weight threshold of Article 33, as identified on the ECHA Candidate List for Authorisation as most recently updated on February 4, 2026 (253 entries). Premium marine hose is excluded from this statement; please contact us for product-specific information on that line.

Superflex Ltd. is a manufacturer of articles, not a manufacturer or importer of chemical substances into the European Union, and therefore has no registration obligations under REACH. Our products do not intentionally release any substance under normal or reasonably foreseeable conditions of use.

We review the ECHA Candidate List as it is updated and will advise customers if the status of any product changes.

This information is provided in good faith and is accurate to the best of our knowledge as of the date above. It is based on our own formulations and on written declarations from our raw-material suppliers, is subject to change as regulations and supplier data are updated, and is offered to assist the recipient's own compliance review rather than as a warranty. Please contact Superflex Ltd. for a statement covering specific part numbers or a later revision of the regulation.

SUPERFLEX LTD
400 S 2nd St
Elizabeth, NJ 07206

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Elbaz', is written over a faint, light gray circular watermark background.
